PROJECTS

ANONYMOUS MESSAGING PLATFORM

- Developed a dynamic platform that allows users to ask questions anonymously.
- The platform fosters open dialogue and encourages participation from individuals who may feel hesitant to engage publicly.

BLOGGING WEBSITE

- Created a comprehensive blogging platform that empowers users to effortlessly create, edit, and manage posts, significantly enhancing content creation and fostering vibrant community engagement through an exceptionally intuitive interface.

CURRENCY CONVERTER

- Developed a user-friendly currency converter application that allows users to effortlessly convert between multiple currencies in real time, facilitating international transactions and financial planning.

PASSWORD GENERATOR

- Developed a secure password generator that creates strong, random passwords, enhancing user security by promoting best practices in password management and reducing vulnerability to cyber threats.

ACTIVITIES

CORPORATE RELATIONS SUPERVISOR Oct 2023 – Dec 2024
E-CELL, KIET

- Successfully organized and managed corporate partnerships and networking, establishing successful connections with 30+ companies for the club, initiatives while overseeing financial accounts for the club.
